

Advance group ticketing 2019

1. Entrance Fee

Organizations (associative, work council, travel professional, hotel, etc...) are entitled to the "advance ticket" price for the entrance fee to the castle and the French formal garden. Payment of the entrance fee allows visitors to freely circulate inside.

2. Terms of Purchase

The organisation can pick up their tickets directly at the château ticket office or by mail. In the latter case, the customer is responsible for all shipping costs.

- For all tickets purchased in advance on site: You must place your order by fax or e-mail (using the attached form) and pay the ordered amount to the *régisseur des recettes* (budget control services) at least 3 working days prior to the date you wish to pick up your tickets on site.
- For all tickets purchased in advance and sent by mail: You must place your order by fax or e-mail (using the attached form). Tickets will only be issued and sent once payment of tickets and shipping costs are made and received by the *régisseur des recettes* (budget control services) of the national domain of Chambord.

3. Discount Conditions

The discount granted in admission to the château and the French formal garden ranges from €2,50 to €7,50 a ticket according to the number of tickets purchased.

The discount is made on the total number of tickets for each purchase. Once the required quantity of tickets purchased has been reached, a discount is applied to all additional tickets purchased from 1 January 2019 through 31 December 2019, without retroactivity on the previously applied prices.
