Christmas at Chambord

Land of Fairy Tales and Magic
29 November 2025 to 4 January 2026

DECORATIONS AND LIGHTS AT THE CHÂTEAU

Beginning on 29 November, discover Chambord as you've never seen it before, in a magical, enchanted atmosphere!

Each winter, Chambord immerses young and old alike in a veritable fairyland of decorations.

For this 12th edition, the magic of Christmas and French expertise are celebrated with entrancing décor **inspired by the tales of Hans Christian Andersen**, much of it created by students from the National Floristry School in Paris.

At the entrance, in the furnished apartments and around the famed double helix staircase, the Château is bedecked with décor straight out of a fairy tale.

When night falls, the Château, its gardens and twinkling Christmas trees will come to life with lights.

Let yourself be carried away by the splendour of the scenery!

ENTERTAINMENT AND A SPECTACULAR MAGIC SHOW AT THE CHATEAU

Plenty of entertainment will be on offer on 29 and 30 November, on 6, 7, 13 and 14 December, and from 20 December to 4 January*, including a spectacular magic show by Gaël the Magician, music, Renaissance dances and activities, storytelling, workshops, visits with Father Christmas, and many more surprises...

Beginning 29 November: Traditional wooden games and board games will be available to play.
